

**ADDENDUM #1**  
**Natural Gas-Powered Standby Generator**  
**BID# TH-2020-03**  
**11/13/2020**

The following changes, modifications, and/or clarifications to the project documents are a part thereof and change the original documents only in the manner, and to the extent, stated.

**1. Bidders are requested to provide bid alternates to include:**

- A diesel-powered generator; and
- A propane-powered generator.

Please include an estimation of run time for each option.

**2. Bidders are asked to provide a separate quote for a generator maintenance program.**
