
TYRONE STORMWATER NEWS UPDATE

WINTER 2021

BRAD KONWICK, ENVIRONMENTAL
DEPARTMENT

There are a good number of homes and businesses on septic systems in Tyrone. It is always a good reminder to perform regular septic system maintenance. This can help protect water quality and avoid costly repairs later. [Here](#) are some helpful tips to remember in protecting and maintaining your septic system. If you have questions on the location of your septic system, please contact the Fayette County Environmental Health Department.
